REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Examiner was persuaded by applicants arguments regarding that the rejection over Shinotsuka an Dhuse would not have been an obvious combination to obtain the solid state image sensing device having the second pixel for generating as an output signal a compensation signal with which to compensate the output signal of the first pixel and then to readout the output signals of the first and second pixels accordingly.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Stephone B. Allen whose telephone number is (571) 272-2434. The examiner can normally be reached on Monday through Friday, 8:00 am to 5:30 pm.
